By signing this document I affirm that I meet the eligibility requirements of this rule and the information provided on the application is true and accurate. The guiding services to be carried out, if license herein applied for is granted, will be conducted in compliance with Arizona laws.

In accordance with provisions under Section 41-1030, Arizona Revised Statutes:
An agency shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by a statute, rule or state tribal gaming compact. A general grant of authority in statute does not constitute a basis for imposing a licensing requirement or condition unless a rule is made pursuant to that general grant of authority that specifically authorizes the requirement or condition.
This section may be enforced in a private civil action and relief may be awarded against the state. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against the state for a violation of this section.
A state employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissal pursuant to the Agency's adopted personnel policy. This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.
